 - a. VB updated the Forum on the comments received from the Council in relation to the draft policy matrix that was issued to them in July, and also updated on feedback received from Planning Aid planners.
 - b. Members of the Forum reiterated that there seemed to be inconsistency in Southwark's responses to the emerging policy aims, and that there needed to be a greater level of engagement with and education within the Council to help

foster a more proactive and positive relationship with the Forum to help us develop the Neighbourhood Plan to its Pre-Submission Draft stage.

3. Plan content

- Revised policies
 - The Forum discussed and made progress at agreeing on how to progress some of the draft policies that were issued with the meeting papers. The updated policy matrix with the next steps agreed by the Forum are attached to these minutes.
 - There are still a number of draft policies to be worked through in light of Council and Planning Aid feedback – the Forum needs to decide how to progress these.
